

ADEKA ULTRA SEAL A-30

GREAT TO SEAL VINYL/COMPOSITE PILES

ADEKA ULTRA SEAL
A-30 will provide a cost
effective watertight
interlock

Simply pour A-30 into
the level interlock to a
depth of approximately
1/8". Allow A-30 to
cure then drive the
piles!

Call your local Adeka
Ultra Seal
Representative or **(800)
999-3959** for more
information.
